

Mobile Garbage Bin Replacement Policy

With the introduction of the 3-bin collection system and Council providing the bins as part of the roll out, the policy sets out the number of bins to be issued and the situation in which either Council or the property owner pays for a replacement bin if required. The draft policy states:

- 1) Dwellings and businesses located within Council's designated kerbside collection areas shall be allocated 1 x 240L garbage bin, 1 x 240L organics bin and 1 x 240L recycling bin, with additional bins as agreed with fee set out in Council's Fees and Charges.
- 2) The Bins are to remain with the premises. Where bin is removed, the new owner/s will be responsible for the cost of replacement.
- 3) In the case of lost, stolen or damaged MGBs, the landholder may request a new MGB from Hay Shire Council which will be provided as soon as possible with a replacement charge payable by the landholder, as set each year in Council's Fees and Charges.

Any MGB provided by Council that is stolen or damaged beyond repair by unknown persons at no fault of the landholder, including bins worn out due to age, may be replaced free of charge, at the discretion of the General Manager, provided the theft or damage has been reported to Council or the Police and a copy of the Police Report number or signed statutory declaration is submitted to Council, unless proven bin damaged by Council's Contractor/staff.

Council has resolved to place the draft policy on public exhibition, with comments able to be received up until Friday 3rd May 2024.

Youth Strategy

Council obtained funding under the NSW Government's Regional Youth Investment Program to support the development of a five-year Youth Strategy. The development of the draft Youth Strategy was informed by a range of information sources, with survey and consultation activities summarised in a Youth Impact Report. While the draft Youth Strategy sets out the high-level priorities for youth development over the next five years, its implementation will be supported by an annual action plan (under development) with specific activities and deliverables, enabling the strategy to remain relevant and responsive to changing circumstances and available resources. Council has resolved to place the draft Youth Strategy on public exhibition, with comments able to be received up until Friday 3rd May 2024.

CAR BOOT SALE

When - Sunday April 21

Where - Community Building Car Park

Time - 9.00am to 2.00pm

To encourage locals to reduce the number of items sent to landfill, Council is hosting a Car Boot Sale.

You can make some cash from your trash!

This event is not for the purpose of business/commercial traders and items being sold must be second hand.

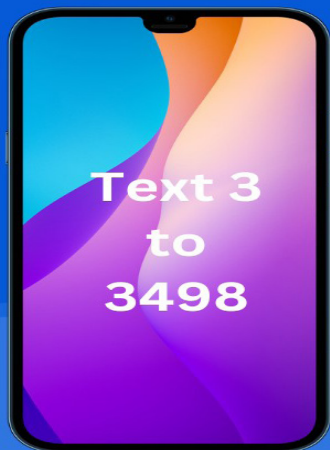

Hay Shire Council will have an information stall on the day. Come along and find out everything about the new 3-bin household waste collection starting in July.

The Car Boot Sale will run from 9am-2pm and in the event of a wet and windy weather forecast, this event may be rescheduled.

To register your car for the Car Boot Sale, fill out the form at Councils Office in Lachlan Street. Registrations are essential and stallholders are free.

It was great to chat with you at Haylumminate about the new kerbside recycling collection starting July 1. Just remember the size of the new bins will remain at 240 litres.
