## Australia Day in Hay

Hay's Australia Day Ambassador Sports presenter and soccer commentator is Mr Andy Paschalidis. Andy has extensive experience in sport in particular soccer where he has represented Australia at Indoor soccer. He has also completed the Australian Iron Man, World Cup and Long Course Triathlons.

Andy also has an impressive career in sports media having worked for organisations such as 2GB, 2KY, Foxsports, Sport 927 and Sky Sports with over 500 match commentaries have been performed from the leagues of Italy, Spain, Scotland, Germany, Portugal, France, Greece as well as European Cup and International matches.

Also involved in 300 community driven fund-raising events involving numerous amateur sporting teams, the NSW Cancer Institute, Variety Club, Humpty Dumpty Foundation, McHappy Day and other charities.

Andy is also the Founder of Heartbeat of Football, a not-for-profit organisation that aims to promote healthy hearts in sport via player education, the minimisation of health risks and the installation of defibrillators on all sporting fields around the country.

These are outstanding achievements and we look forward to welcoming Andy to Hay and listening to his Australia Day address at the Official Breakfast which commences at 8am at the Hay Gaol.

30 Shear Outback

Working Dog Trials

## Documents on Exhibition

Council at its meeting 19th December 2023, resolved to place on public exhibition the following documents:

1. "Fundamental Principles for Successful Renewable Development in Hay LGA" - Given the quantum of potential monies that will be set across LGAs, the Fundamental Principles document becomes an important negotiation tool for the Hay community to use to ensure that if an energy development happens in Hay the opportunity will be maximised for the community regardless of which generator is awarded access.
2. The concept designs Options 5 and 8 for the redevelopment of the Hay Community Building - The existing community building, centrally located at Hay Park and close to all three schools, was identified as underutilised community infrastructure that could be redeveloped into a modern youth and community indoor/outdoor space. Two concept designs have been developed for community feedback (Options 5 and 8); The primary difference between the concepts is that Option 8 involves the removal of the rugby league/rugby union changerooms from the community building and the establishment of new changerooms at number one oval, while Option 5 involves the refurbishment of the existing changerooms to meet current codes. Early high order cost estimates for redevelopment are \$1.45M for Option 5 and \$1.86M for Option 8. The building phase is currently unfunded.

Copies of the documents can be found on Council's website or at the Administration Office. Closing date for feedback is Friday 2nd February 2024 at 5pm.

## What's happening at the Hay Library?

**Rhyme Time:** Childrens reading and activities are held every Tuesday commencing at 10.30am for 0-5 year olds.

**Knitting & Scabble Groups:** Are held each Wednesday at 10am. Come and enjoy some knitting and scabble with good company and a cuppa.
