

BUSINESSES USING SKIN PENETRATION PROCEDURES

It is a requirement under the Public Health Act 2010 that any premises undertaking skin penetration procedures, must register with their local Council and comply with the requirements prescribed by the regulations. The following procedures come under skin penetration:

- Manicures & Pedicures
- Dry Needling / Acupuncture
- Waxing
- Tattooing
- Body Piercing
- Microdermabrasion
- Colonic Lavage
- Electrolysis
- Cosmetic Tattooing

If your business undertakes any of the above procedures (and you have not already notified Council), please visit Council's Website (www.hay.nsw.gov.au) and under Building, Planning & Environment > Public Health Services > Skin Penetration, you will find further information and the registration form for Skin Penetration.

Forms can be returned to mail@hay.nsw.gov.au or dropped in to the Council Office.

Council staff will be contacting business owners in the coming weeks if we have not received a returned form, to allow us to properly undertake our role as the responsible authority.

DRAFT PLANNING AGREEMENT POLICY

Hay Shire Council has on exhibition for public comment a Draft Planning Agreements Policy.

The emergence of the South West Renewable Energy Zone (SW REZ), with its significant scale of proposed infrastructure and development, has created a need for a Planning Agreements Policy to ensure that community benefits are negotiated consistently, transparently, and in line with local priorities.

A Planning Agreements Policy provides a clear framework for how a council will negotiate, assess, and manage voluntary planning agreements with developers in accordance with the Environmental Planning and Assessment Act 1979 (the Act). It sets out the principles, procedures, and expectations that ensure agreements deliver transparent, fair, and equitable public benefits that align with the council's strategic priorities and community needs. The policy also establishes safeguards to manage legal, financial, and operational risks, while promoting consistency, accountability, and trust in the development assessment process.

Submissions will be received up until 4pm 13th October 2025.

All submission should be addressed to the General Manager, Hay Shire Council, and can be lodged at the Hay Shire Council Administration Centre, 134 Lachlan Street, Hay or by email: mail@hay.nsw.gov.au

Whats on at the Library

Book Week 2025 - This year we celebrated 80 years of Book Week with the theme Book an Adventure! At Hay Shire Library we hosted a special Book Week Storytime and welcomed classes from Hay Public School, St Mary's, and Hay Children's Services for a week of pirate treasure hunts, dancing, sensory fun, and activities to help children discover more about the library. We thank all of the educational centres, parents, and carers for their ongoing support of the library and their commitment to developing literacy and community. It was a wonderful week full of adventure, learning, and joy!

Cuppa & a Chat continues every third Monday of the month! In August, we shared stories of sport in Hay, from local teams to much-loved pastimes. Our next get-together will be on Monday 22 September, 10:30am–12pm, with the theme Celebrating Hay — looking at how our town has marked events, people, and moments through parades, the Hay Show, and community gatherings. We'll have articles, photos, and memorabilia on hand, and encourage you to bring along old costumes, photos, or anything that sparks a memory. Free morning tea provided. It's a lovely way to connect in a safe and comfortable atmosphere, where conversations flow easily and one story often sparks another — helping us remember more about our town and each other.

Storytime at Hay Shire Library also continues every Tuesday at 10:30am! All families are welcome to come along for stories, songs, and, craft and fun activities — a great way to share the joy of reading together each week and for children and parents and carers to connect and socialise.
