

HAY SHIRE COUNCIL

SEWERAGE DRAINAGE PLAN

Name: DA No: Street No:

Street: PRV No: Lot: DP:

Approx. Depth Scale:

The sewerage Drainage Plan must show the following; (A) The level of the drains in relation to the sewer main junction and the finished ground level, and (B) The distance from the drains to the nearest boundaries of, and buildings on, the premises.

All drainage and plumbing work must be carried out strictly in accordance with the provisions of the Local Government Act and Ordinances and the requirements of the Council.

This plan is the property of the owner and must be returned to him/her on completion of the work

Note: Rain or surface water must not be discharged into the sewers, or sewer trenches.

A final Certificate indicating the satisfactory completion of the work will be issued only on application.
